Grand Sport Ultra

TOURING COACH

It appeals to the muscle car lover in all of us.

Dynamax's Grand Sport has been an extraordinary motorhome ever since we created this antithesis of the boxy bus a few years ago. Our Grand Sport Ultra looks better, rides better, hauls better and *is* better than just about any other motorhome out there. Serviceability, safety and power are equally impressive.

And the best gets even better for 2007. Ultra exudes pure muscle with its monster Mercedes Benz® MBE 4000 engine and its 450-hp. Plus it offers an incredible twenty tons of towing power so you could tow a couple of those boxy buses we just mentioned.

Elegance and flair reside within every inch of Ultra's interior. Standard luxury features include stylish ultraleather upholstery, plenty of storage in rich hardwood wardrobes with cedar linings, an upgraded Bose® LS 38 DVD/CD with Surroundsound® and bigger 26-inch LCD TVs in the front and rear.

A

A. There is more roominess than ever as Ultra expands to 7-feet in height by 8-feet wide – spacious enough to accommodate your biggest friends and your own big ideas about entertaining.

B. The comfortable Flexsteel® EZ bed/sofa offers extra sleeping quarters – and extra living quarters when the hydraulic slide is activated.

C and D. The bathroom features deluxe Travertine® stone tile floors, a gorgeous Granite® lavatory with Nickel® accessories and a one-piece fiberglass shower and skylight. And there is lots of cabinet space for storage.

B

C

D

Perfection personified.

Grand Sport Ultra reaches a new level of luxury in 2007. Upgrades include a full queen size Comfort Select® Dual Control bed, superior grades of fabric throughout the motorhome and silhouette power shades that have two fabric facings to diffuse and beautify the light. Other improvements include an Amana® 15 cu. ft. residential-style refrigerator with stainless steel double doors, Granite® countertops in the bath and kitchen and fashionable stone tile floors — features you would find in the finest homes. Optional hardwood floors are also available.

A

A. The galley features gorgeous Granite® countertops and stone floors — features that are not only beautiful but also strong and rugged to last for years.

B

B. The handsome dinette features four comfortable freestanding chairs (two that fold) and a Granite® tabletop.

C

C. Power shades — elegant silhouette power shades soften harsh sunlight. Fully raised, they completely disappear in the headrail.

D. A GPS navigation system and CB radio are standard. (Now there are no excuses for being lost.)

D

Uncommon. Unmatched. Unbelievable.

The bedroom is so stunning you'll think you're dreaming. And maybe you are. It's so comfortable and very airy. And the large queen size bed still affords plenty of room to walk around. You'll find lots of storage inside the gorgeous cedar-lined wardrobes. Plus, there is a giant 26-inch LCD TV and a Fantastic® fan with temperature control and a rain sensor.

A

B

A. The spacious bedroom has plenty of storage with its beautiful hardwood, cedar-lined wardrobes.

B. The handy extra drawer in the galley gives you space to store more food items. The deluxe Amana® two-burner range with stylish black glass is the type of appliance you would find in a luxury home.

C. The built-in hamper features a beautiful hardwood sliding door and is a convenient storage place to hide away your laundry.

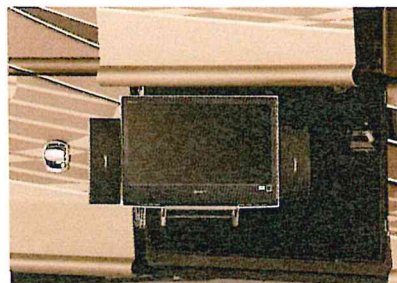

D. Ultra offers not one but two Sony® 26-inch LCD TVs. Now you can watch your favorite tv shows in the living area and in the bedroom.

D

EXTERIOR FEATURES

Incredible storage inside and out. Large exterior compartments have pantograph or side swing hinges for easier access. Plus, an exterior rear trunk adds even more storage. All storage compartments are lighted and have power locks.

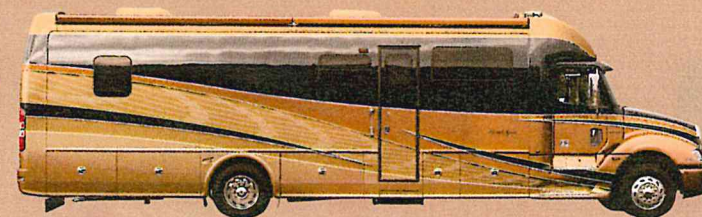

Hydraulic leveling jacks. Four fully-automatic leveling jacks are standard on all Grand Sport Ultras.

The optional 40,000 lb. rugged rear hitch helps provide you with twenty tons of towing power.

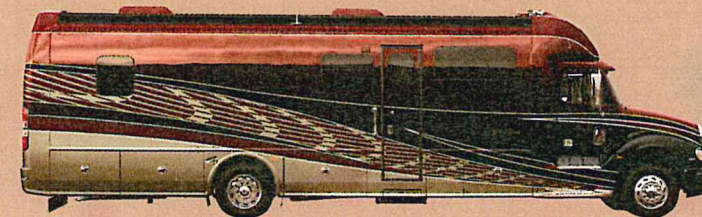

An optional exterior TV provides extra entertainment for all of your outdoor parties.

"Ultra" Deep Gloss Paint Packages.

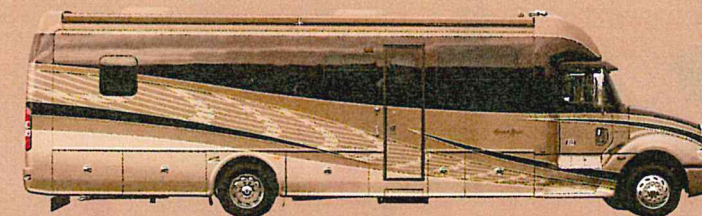

Grand Sport Ultra gets the grandest paint treatment — six clear coats of "Ultra" deep protection that will make your motorhome sparkle and shine. All five impressive packages are hip, clean and oh so contemporary.

Elegant Interior Design Schemes.

Take a closer look at our exceptional fabrics, elegant hardwood cabinetry and premium ultraleather upholstery. All are crafted with discriminating style for long-lasting durability and beauty.

Cherry

Maple

The spacious cockpit features overhead storage for maps, sunglasses and more. Flexsteel® Bostrom ultraleather driver and passenger chairs adjust to your specific comfort with air and swivel pedestals.

Posi-Lock hardware creates a positive lock so no doors or drawers come open when the motorhome is moving.

Rear and side color backup cameras are standard. Cameras and monitor help make backing up safe and more secure. Plus they offer excellent picture quality.

Multiplex lighting switches let you control interior lighting. Dim or raise the lights, no matter where you are — switches are conveniently located throughout the coach.

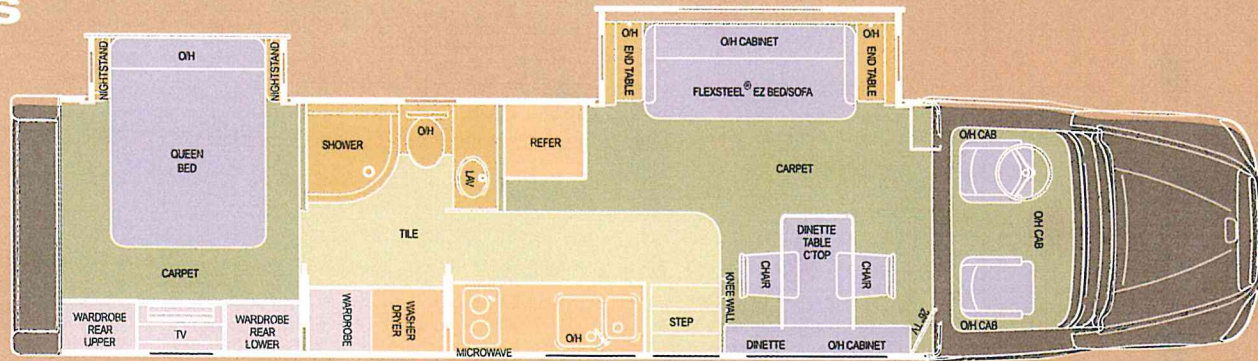

A GPS navigation system and CB radio are standard equipment. And our Ultra even has a two spoke silver satin steering wheel wrapped in leather.

If you can't agree on which TV program to watch, Ultra offers two **26-inch LCD TVs**. One in the front and one in the rear bedroom.

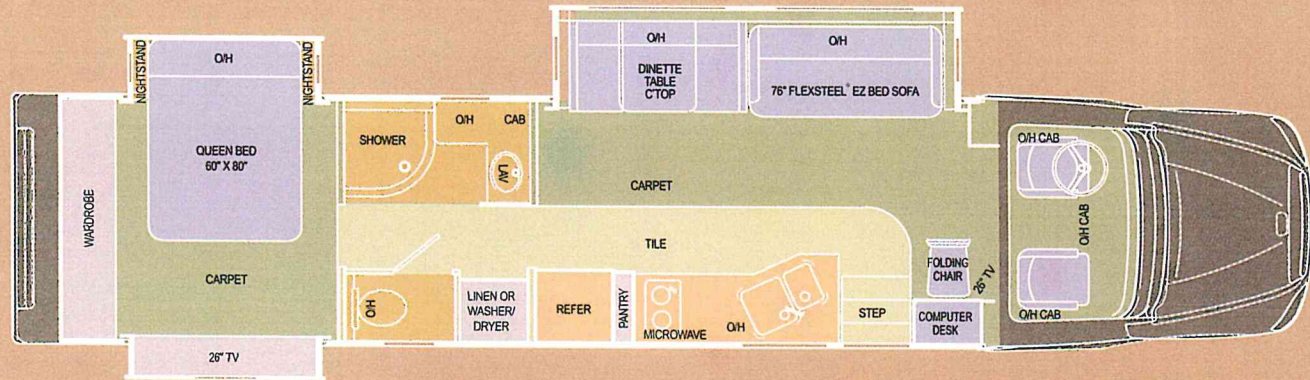

Beautiful hardwood floors in maple or cherry are an optional feature that will give a warm, homey feel.

FLOORPLANS

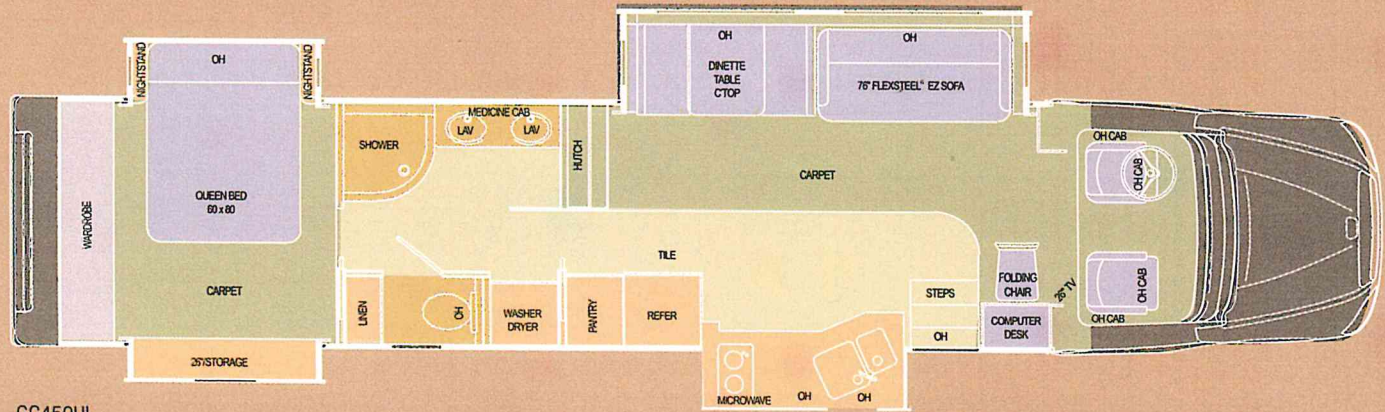

Great design goes beyond just colors, fabrics and hardwoods. It also extends to designing smart, convenient floorplans. Ones that give you more storage space, more convenience and ample room to live your RV life. We applaud our designers because they have done just that.

GC400UL

GC420UL

GC450UL

Engine: Freightliner® Columbia MBE 4000-450
 Horsepower: 450-hp @ 2000 RPM
 Torque: 1550 lb./ft. @ 1100 RPM

Actual towing capacity is dependent on your particular loading and towing circumstances, which includes GVWR, GAWR and GCWR, as well as adequate trailer brakes. Please refer to the Owners Manual of your vehicle for further information. Floor plans, features and specifications of the Grand Sport Ultra are subject to change without notice.

CLUB MAX

Benefits to the Max

One of the really neat benefits of being a Dynamax owner is membership in the Dynamax's owners club. We call it Club Max. You'll call it a great way to enjoy your new motorhome, as you spend fun time with other owners. It's also a great way to travel and socialize, especially at the Dynamax Rally, held every year. In addition to rallies and special events, there are many other benefits, including *To The Max*, the official news magazine of Club Max; a roadside assistance program; FMCA Membership; KOA value card; a lost key program; and much more. And, of course, the biggest benefit is the network of friends you will soon develop. The camaraderie and spirit of the Dynamax community is a special part of the experience. To learn more, just go to www.myclubmax.com or enter through the Dynamax web site: www.dynamaxcorp.com.
