**FORCE HD**

Who says you can’t take it with you? Most traditional Class C’s give you all the living space for a family, but not much more. The Dynamax Force HD offers 33,000 lbs. of GVWR and 20,000 lbs. of towing capacity. Not only can you bring the whole family, but you can also bring all the toys, gear, clothes, groceries, and everything else it takes to support a family on the go.

CCC (Cargo Carrying Capacity)** - is the amount of weight available for fresh potable water, cargo, passengers, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Actual CCC should accommodate fresh potable water (8.3 lbs per gallon), family the fresh water tank, empty the black and gray tanks to provide for more cargo capacity.

*Estimated average based on standard build optional equipment.
**Estimated average based on standard build optional equipment.
