ISATA 5 SERIES

In the Isata 5 Series driver’s seat, you’ll enjoy the confidence that comes with the control, comfort, and stability of the Ram 5500. Meanwhile, everywhere you look you’ll see the extra touches – including cut and buffed paint, RV-friendly features, and ambient lighting. So wherever your journeys take you – along the busy highway or up the mountain pass, (or even on the “roads less traveled” with the optional 4x4 chassis), the Isata 5 Series will provide freedom and comfort like nothing else on the road.
